with so many crazy and extreme diets on the market it's hard to know what to eat and how to maintain a healthy regime we have lost our way when it comes to diet and succumb to extreme measures that promise short term rewards in spite of our extreme attempts to get in shape we are still unsatisfied with how we look the harley plan puts an end to these extreme behaviours that are making us fat and tells you exactly how to achieve your best physique in just 15 days get ready to press the proverbial reset button on your metabolism and exercise regime and prepare to revise your entire outlook on health the plan is comprised of three phases each lasting five days weight loss begins on day one of phase i and in all three phases you will eat five times daily thus igniting your metabolism to run more efficiently furthermore the plan will show you how to make simple healthy meals that can be prepared in less than five minutes finally you'll learn just how easy it is to exercise an optimal amount so as not to trigger your appetite it is so simple and you'll be able to maintain this program for the rest of your life in just 15 days you will lose weight with ease and can expect to lose 5 inches in just 5 days

outlines a program for weight loss explaining how to start with low calorie metabolism boosting blended foods while gradually reintroducing healthy combinations of foods and simple exercises

the body reset diet is a popular 15 day eating regimen backed by many celebrities its supporters believe it is an easy and healthy way to boost metabolism and shed pounds quickly the body reset diet program was created by harley pasternak a well known trainer with a degree in exercise physiology and nutrition pasternak feels that losing weight quickly early in a weight loss program inspires you to stick with it which has some scientific support the body reset diet program is a 15 day weight loss program with a low calorie diet and modest daily exercise the meal plan focuses on smoothies snacks and small meals which may all be made at home because the diet delivers roughly 1 200 1 400 calories daily you're likely to lose weight quickly it is not necessary to gain weight as you get older all of the physical flaws we identify with middle age an expanding waistline softer muscles and general physical deterioration aren't inescapable they can be

avoided and even reversed despite this most people in their forties and fifties battle with weight gain the body reset diet program can stop and even reverse age related weight gain and muscle loss provided you know how to do it and incorporate it into your everyday life it can even lower the risk of several aging related chronic diseases and improve the general health of your body and mind get the book to learn how to include this diet into your daily routine as well as sample recipes to assist you in developing your eating plan

whether you're looking to lose significant weight or just those last five pounds the body reset diet cookbook will help you reset your body and lose weight immediately with 150 slimming recipes new york times bestselling author harley pasternak revolutionized dieting with the body reset diet and now offers more recipes from his proven program to help you slim down permanently in this cookbook companion you'll find amazing smoothies that will keep you satisfied while boosting your metabolism simple single dish meals that include scrambles sandwiches soups salads and stirfries satisfying snack combinations the body reset diet cookbook will keep your metabolism humming so you'll continue to blast through calories shed pounds and achieve your weight loss goals

you've probably tried a plethora of various diets and they just haven't worked or maybe they did at first but now you've reached a plateau and you just can't seem to get rid of those last five pounds maybe you've become a chronic dieter managing to stick to a certain diet for just a couple of days and then falling off track only to start again a while later but with no fruitful results you've been hitting the gym and keeping a close eye on that scale but somehow it just never seems to show you what you want to see so if you're looking for a quick effective revolutionary way of losing weight this book will show you how so stop feeling disappointed if your previous diets haven't worked for you the body reset diet will change the way you look at weight loss for years people have followed different diet loss fads that came and went and none was considered quite a breakthrough when it came to weight loss most of them just consisted of difficult to follow complicated diet plans that not only left a person feeling hungry and undernourished but most people fell off the wagon soon enough even worse when you do finally manage to lose a few pounds you gain it all back by going back to your old ways we've all gone through at least one such experience whether it involves starving yourself or training hours at the gym the end result is the same so what exactly have we been doing wrong all this time and how exactly do we counter past failures and do it right this time around this is where the body reset diet comes in we have trained our bodies unfortunately to be dependent on the fatty unhealthy foods that are part of our everyday routine so obviously when we take that food away all of a sudden our body is not used to it at all the body reset diet however is not just about cutting down on calories it's about unlearning old dietary habits and training our bodies to learn new ones we train our bodies to get used to a low calorie high energy diet that prompts our system to switch to fat burning mode the idea behind this diet is for people to stick to a diet that gives them fast results instead of leaving them feeling drained people all over the world are testing out the body reset diet with favorable results so don't miss out this chance at a life changing opportunity and learn how to reset your body now
